CHICAGO, WEDNESDAY, AUGUST 2, 1899.

PRICE, 5 CENTS

TENBY DEFEATS CHERRY LEAF.

That Sidney Bender has a good horse in Tenby is no longer a matter of doubt in the minds of those who saw him win the fourth race at Harlem yesterday from John Baker and Cherry Leaf. The race was at a mile and a sixteenth, and the conditions were such that Cherry Leaf and John Baker carried 104 pounds each, while Tenby only had 102.

It was a hot betting race, Cherry Leaf being the favorite and carrying a big, healthy stable commission. The public stuck to Tenby and so did the "knowing ones" who had seen both horses work. John Baker was held at 10 to 1 to win and 6 to 5 for the place. The pickers fairly killed this, thinking he would surely split the pair and also have a chance to win. Plantain was the outsider.

It did not take Starter Dwyer long to get the quartette away, with Plantain in front, Cherry Leaf second and John Baker third. Nutt, who rode Tenby, had instructions to lay away with him and he followed his orders to perfection. Plantain set the pace around the first turn but down the backstretch John Baker went to the front. He had everything his own way until the far turn was made when Crowhurst, on Cherry Leaf, made his move and at the three-eighths post the pair were racing like a team. In the meantime Nutt was trailing along about three or four lengths back of Plantain and he did not seem to be at all alarmed when Cherry Leaf moved up. Just before the stretch was reached, however, he called on Tenby and the Bender horse shot by Plantain and got within striking distance of the leaders quicker than a flash.

In making the turn into the stretch Cherry Leaf and John Baker swung wide, and Nutt, seeing the opening on the rail, started through. He got about half way up when the other boys pulled in on him, and for an instant it was 10 to 1 against Tenby. Nutt, however, had presence of mind enough not to remain in the pocket and immediately pulled out and went around. All this, of course, cost considerable ground, but Tenby was so much the best that he could afford it, and coming down the stretch on the outside like a wild horse he got to and passed Cherry Leaf and John Baker fifty yards out and won handsomely by about a half length. This horse has improved wonderfully since he has been in Bender's hands, and after the race a flattering offer was refused for him.

"Hardy" Durham with all his wisdom let his Sleipner—Thanks two-year-old Martin Duke go to the post unbacked at 20 to 1. The youngster got a good send-off and always being in a good position stood a long, hard drive through the stretch gamely and won by a narrow margin from Mont Eagle. Rocklight was backed for a good thing but he could not or would not run fast enough to get out of his own way, and finished far back.

Mr. Durham, again as wise as he was before the first race, sent Mayme M. M. to the post in the second event so stiff and sore that she could hardly walk let alone run her best race. The filly was naturally one of the choices, and of course the public suffered. She opened at 2 to 1 and was backed down to 11 to 5. After getting away in a jam Mayme M. M. plodded along in the rear division until the stretch was reached. By this time she was beginning to warm up and in the last quarter was able to run some. The consequence was she finished third. Princess Murphy won the race by a whisker from Rosevannan.

The speed handicap went to Helen's Pet. This filly is one of the fastest horses at the track and seems to run a better race each time out. Heretofore she has shown a disposition to quit when challenged, but in this race she

stalled off Maceo's rush in the stretch, and, although driving, was going away at the finish.

Unsightly seemed on form to be a certainty in the two-year-old race, but after Beauchamp had messed her about in a wretched manner she could do no better than finish third to Maharajah and Zaza.

Mizpah, long overdue, won the last race quite handily from Serrano. The latter was the favorite and ran a good race as far as he went, but when the pinch came tired as if short. Mizpah was heavily backed and ran a cracking good race. Jenkins had him on the extreme outside all the way and covered much more ground than anything else in the race.

GOSSIP OF THE TURF.

The attention of western turfman is directed to the magnificent list of stakes offered by the Westchester Jockey Club as displayed in DAILY RACING FORM'S advertising columns today. The happy condition of prosperity that enables the eastern clubs to make such enticing offerings cannot fail to be a matter for envy locally. Mayhap, when malice, ignorant prejudice, fanaticism, cupidity and blackmailing shall have run their course an enlightened and considerate Illinois legislature of the future will give to racing here the legal protection, security and supervision that safeguards and fosters it in New York. Then Chicago will emulate the inducements offered the turfmen of the country by the great eastern clubs. In the meantime western turfmen owning good horses cannot afford to overlook the advantages of racing for such great sums of money as are here tendered them. August 15 is not far away and as entries close then it behooves owners to secure entry blanks and attentively consider the terms of these stakes before making entries.

A final decision in the case of jockey Jesse Conley was made by the Fair Association racing officials Monday. The crack jockey is set down for thirty days except for his stable, the suspension dating from July 25. Conley's suspension is due to his ride on Alice Turner the day she was beaten by John Halsey. Conley's ride on Sidbow on July 14, which also caused some comment, was satisfactory to the judges, who state that long delays at the post have a tendency to bring about uncertain results from horses like Sidbow, who are not overburdened with class. The unsatisfactory riding of jockeys Honck and Southard also came in for a little investigation, it seems, and, according to the judges, the probable explanation for it is the fact that both boys have been sick lately.—St. Louis Republic.

Of the latest highly important transaction in horse flesh a dispatch from Saratoga says: After negotiating for several days, Pierre Lorillard has purchased from John E. Madden the high-class two-year-old David Garrick and The Chamberlain, who, in his work, is said to have shown up better than David Garrick. The price, while not made public, is said by Madden to be a very high one. After Garrick's victory in the \$20,000 Great Trial Stakes at Sheepshead Bay, Madden was said to have refused an offer of \$25,000 for the colt. Mr. Lorillard will place the two horses in the charge of A. J. Joyner, and they will be raced in this country until the fall, when they will be shipped to England. The Chamberlain has many valuable stake engagements abroad.

NOTES OF THE TURF.

The great two-year-old The Conqueror, who
has been laid up ever since he was beaten in the
Junior Championship by Sam Phillips, with a
quarter crack, has practically grown a new
hoof, and is now pretty near ready to start in
galloping again. His trainer, Paddy Tomlinson,
stated Monday that it was hardly probable the
colt would be ready to start in either of the two
juvenile stakes to be run at the Fair Grounds
this month, although there is a chance that the
colt will be ready to run in the Chrysanthemum.
Tomlinson is confident that The Conqueror will
beat Sam Phillips the next time they hook up.
According to Tomlinson, The Conqueror worked
three-quarters of a mile at the Fair Grounds
with over 120 pounds on his back in 1:14. This
work is enough to stamp the colt as being one of
the great juveniles of the year.

"Last fall, when he was broken, Verdinst
promised to make one of the great two-year-
olds of the present racing season," said W. F.
Schulte recently. "This colt is a half brother
to Alleviate, who won a lot of races for me in
her two-year-old form. I own Per-adventure
the dam of Alleviate and Verdinst, and bred
both horses. At the time my trainer broke
Verdinst at the Louisville track, Charlie Patter-
son was there with all his cracks, including
Prince of Melbourne and Kentucky. Verdinst
showed better than either of Patterson's cracks,
and I thought the colt would win a lot of races
in his two-year-old form. He is still a maiden,
however, and I have no idea whether he will
ever win a race for me. The failure of this colt
to pan out illustrates the glorious uncertainty
of the turf."

Fall running meetings will be held at Fort
Erie, Canada, August 30 to September 20, and at
Windsor, Canada, September 23 to October 14.

Winner—Br. g. by Sleipner—Thanks.
Post 12 minutes. Start fair. Won in a long, hard drive of two; third and fourth were driving also. Martin Duke got away flying and always had a clear path. Mathews took the short route and rode a very strong finish. Mont Eagle had no excuses. He simply could not get up, but would have beaten the winner at five furlongs. Satan ran a good race. He was gaining on the leaders at the finish. Microscope, off poorly and bumped about considerably, ran a crackling good race. Hansford does not apparently amount to much, and Chief Farrell less. Rocklight would not extend himself. He works fast, but does not run to the work. Jeff was roughly treated and almost thrown at the start.

Martin Duke, place, 8 to 1; show, 3 to 1. Mont Eagle, place, 2 to 1; show, evens. Satan, show, 10 to 1. Chief Farrell, place, 7 to 5; show, 3 to 5. Rocklight, place, evens; show, 1 to 2.

Winner—B. f. by Bramble—Princess Glenn.
Post 5 minutes. Start good. Won in the hardest kind of a drive of two; the next three were under full sail. Princess Murphy skinned the rails on the stretch and won a very lucky race. Rosavannah was the best and appeared to be a sure winner at the head of the stretch. Nutt, though, became careless and threw the race away. Mayme M. M. was stiff and sore going to the post. She was also badly interfered with on the first turn. This dilly finished very strongly. Blue Lick showed no speed. Throw his race out. Defender II. quit badly in the stretch.

Scratched—13645 Marguerite Hageman, 103.
Princess Murphy, place, 5 to 1; show, 2 to 1. Rosavannah, place, 4 to 5; show, 2 to 5. Mayme M. M., show, 2 to 5.

Winner—Blk. f. by Faustus—Nitty.
Off at the first break to a good start. Won hand ridden and all out; second driving; third and fourth driving even harder. Helen's Pet had the most speed of the party. Nutt took the short route, saved all the ground possible, and made every post a winning one. The filly is a very speedy one and has been very much underestimated. Macco ran a good race. He seemed to have Helen's Pet beaten at one time in the stretch, but faltered at the end. Horace did well. So did Tony Licalzi, who finished very strongly. There was too much speed for Maggie Davis. Fausturo and Arlington both ran bad races.

Scratched—13626 Unsightly, 55.
Overweights—Tony Licalzi, 3 pounds.
Helen's Pet, place, 7 to 10; show, out. Macco, place, evens; show, 1 to 3. Horace, show, 7 to 10.

Winner—B. c. by Tenby—Soprano.
Post 3 minutes. Start good. Won in a hard drive of three. Tenby ran a high-class race. He trailed his field until the three-eighths post was reached and then moved up like a flash. Nutt saw an opening on the rail at the head of the stretch and started through. The other boys immediately pulled in and this shut Tenby off. Nutt was then compelled to pull out and go around. The horse had something in reserve and stood the interference and a drive at the end like a gentleman. John Baker ran an improved race. He set a terrific pace and stood a drive gamely at the end. Cherry Leaf is not at his best. He had no excuses in this race but simply weakened when the pressure came on the stretch. Plantain was outclassed and finished where he belonged.

Tenby, place, 2 to 5. John Baker, place, 6 to 5; show, out. Cherry Leaf, place, 3 to 10; show, out.

Winner—Blk. c. by Hindoo—Miss Moore.
Post 4 minutes. Start good. First three were driving to the limit. Maharajah, under a strong ride, came with a tremendous rush at the end. He was lucky to get through between Zaza and Unsightly in the stretch. Beauchamp's ride on the latter was a miserable exhibition. He got the filly all tangled up at the start, made his run too soon and lost a lot of ground by swinging wide on the stretch turn. The ride would have beaten any horse. Zaza took the short route and hung on longer than she usually does. The race was always between the first two.

Scratched—(13724) Rosa Diah, 99; 13650 Mitten, 99.

Winner—B. g. by Faverdale—Amulet.
Post 6 minutes. Start good. Won in a mild drive; second hand ridden; third and fourth driving to the limit. Mizpah was a good horse to-day. He took the longest route and stood a

drive for an instant in the stretch and was going away at the finish. Serrano had no excuses. He was well ridden, made his run at the right time but simply could not stand the pressure at the end. Judging from the way he stopped in the last sixteenth he may have been short. Mark him for early action at Hawthorne. Tranby, for the first time out in a long time, ran well. He finished very strongly. Abe Furst was fighting for his head all down the backstretch. This horse is purely a sprinter. Three Bars retired early.
Scratched—13726 Ebsbarth, 99; 13748 Arlington, 107.

RACING FORM'S SELECTIONS.

DAILY RACING FORM has no private information. It seeks none. Its calculations over the horses as they are grouped daily at various racetracks are purely those of general performance and ability as shown by the records and the application and knowledge of its editors and the reports of its correspondents. These calculations are printed daily. Nothing is hidden. All that the staff of the paper knows is put into type. If the selections made nightly are sought by persons outside the daily delivery lines of the paper they will be sent by Western Union night rate messages (collected) at \$5 per track per week. Such service is not solicited, but if it is considered valuable, will be performed.

THE AMERICAN SPORTING MANUAL

The American Sporting Manual of 1898 is on general sale. It is a record of the turf, billiards, pugilism, trotting, pacing and all the leading lines of sport up to January 1, 1899. All the matter within its pages have been compiled and edited by experts. It prints a list of all the turf and track records (by DAILY RACING FORM's staff), billiard figures, past and present (by John Thatcher), the fights of 1898, with comments (by George Siler), harness records to date and of the past (by John Hervey, the statistician of The Horse Review) and three handicap tables, with directions for their application and expert comment. The Manual, in paper covers, sells at 30 cents and in soft morocco covers at 50 cents.

NOTICE.

DAILY RACING FORM is a publication which is built by its staff from day to day. Its "form" and the numbers of its charts are copyrighted. The chart numbers are so arranged that legal identification is easy of proof. The selections and handicap figures attached to entries are arranged on the same basis. The latter come from the work of four experts after the telegraphic receipt of charts and entries. All persons are warned not to use said chart or index numbers, selections or handicap figures.

PEDIGREE BLANKS.

On linen paper, artistically edged in colors, ruled and arranged for six generations of sires and dams of individuals and their ancestor. Ten cents each, \$1.00 per dozen, \$3.50 per hundred. No owner of a stallion should be without a supply.
